

General Instructions

These resealable packets have enough seasoning for multiple uses. Use sparingly because a little goes a long way (and you can always add more!). We suggest about a teaspoon for 6-8 oz of meat or vegetables. Want to kick it up a notch? Mix some of the spice blend with olive oil and brush the mixture onto your favorite foods. Enjoy!

Nice Spice for Steak & Veggies

If you love beef, sprinkle this blend on ribeyes, strip steaks, and filet. It's also perfect on vegetables, especially grilled portobello mushrooms. Specifically blended for our Nice Yakima Valley Cabernet Sauvignon.

Nice Spice for Chicken & Veggies

Coat this blend on grilled chicken (breasts or thighs) or try a little mixed in flour and panko for amazing fried chicken! Great on mixed veggies too! Specifically blended for our Nice Clarity Sauvignon Blanc.

Nice Spice for Seafood & Veggies

Add this beautiful herby blend to seafood, particularly grilled or baked salmon or mix with olive oil and sauté shrimp. It would also be great added to an oil and vinegar salad dressing. Specifically blended for our Nice Ariana.
